Old Business

Levee Improvement Project

- Project status North of UFC Elevator in Meyer (Nationwide permit process) - We currently are waiting for approval. The corresponding documentation is still submitted. Due to changes in personnel at the Army Corps of Engineers Rock Island District, some of the officials have asked for documents that have already been submitted. We will re-provide the info needed when its requested.

Equipment/Building Repairs & Parts

Commissioners briefly reviewed options for the South Pump Station improvements that may be done to deal with ongoing cooling issues. Estimates are still needed for a new well, in case of transition to a heat exchanger option. An estimate for the plumbing that would be required is also needed. We are also gathering pricing for a possible electric engine.

Assessments Update

- Tax payers with late assessments have been turned over to the county collectors office. Their names will appear in local newspapers.

New Business

Ditch Maintenance Updates

- Bluff Canal work- Work on this is paused for the time being until bulldozer work is completed.
- Future Ditch Maintenance projects:
 - Commissioners mentioned possibilities for the fall ditch project list. They included 1/2 mile North of County Line Bridge, and the district ditch between Sinotte and Hancock County Land Company.

Brush control and spraying

- A 200 gallon sprayer was purchased and running. Crew members report it is working great.

Equipment/Building Repairs & Parts

- Dozer Repair- work on the dozer should be complete at any point.
- Nelson tree service has been contacted to possibly deal with trees that are hanging over the levee. These trees were noted as an issue during last inspection.

Any other New Business

- Armadillos have been found in the district. This will become another issue on the levee.
- The city of Warsaw would like trackhoe work done at the boat harbor. The district will charge \$250/hour.
- Reminder that the District's Annual Meeting is November 12th.

Commissioner Zollinger made the motion to adjourn the meeting. Shriver-Hackamack seconded the motion. Motion passed.
